ANNUAL REPORT

2019-20

Good Evening everybody!

I feel honoured to extend a hearty welcome to one and all gathered here.

Welcome to Sri Chaitanya Techno School Annual Report 2020, a platform to communicate directly with all of you, our respected guests, benefactors, well-wishers, parents, staff and students with delight. I present this Annual Report which enumerates the labour of love, activities and achievements of the school during the academic year 2019-20. Our enrolment has an upward trend, reaching nearly a thousand two hundred students this year as more and more parents flock to this temple of learning making Sri Chaitanya as their first choice for their wards.

I believe that the purpose of education is to replace an empty mind with an open mind. The direction in which education starts a child will determine its future life. The whole object of education should be to develop the mind that works and to free a child's potential by instilling in him/her a curiosity to learn. So that he/she will continue to learn as long as he/she lives.

Being the biggest school in the cluster, our Chaitanya has always remained a centre for a great number of activities at school, cluster, regional and national levels providing opportunities and exposure for children to a wide variety of invaluable experiences.

LEADERSHIP AND CAREER OPTIONS:

We have conducted election in our premises on the month of July and selected captains and deputy captains for various responsibilities.

Leadership and learning are two sides of the same coin. Leaders aren't born, they are made, and they are made just like anything else, through hard work we give ample opportunities to all our students to develop their leadership qualities. The cabinet Inaugural was held in July where Sastika of class 8 and Sakthivel of class 8 were sworn in as Head Girl and Head Boy and took charge of their responsibilities along with the other House Captains at the presence of our Honourable AGM Sir.

INTRODUCTION OF HOUSE ACTIVITIES:

To instil in pupils, the art of self-discipline, self-governance, and team spirit we have constituted four house. To promote healthy and competitive spirit among the school children we have inter house competitions conducted under the guidance of the Principal and House masters. The school children along with the teaching staff are given opportunity to participate in various activities through different houses.

The houses are

1. House of Samurats
2. House of Spartans
3. House of Viking
4. House of Knights

YOUNG LEARNER'S PROGRAM (YLP) AND COFFEE MEET:

The beginning is the most important part of the work. We began the academic year 2019-20 of Sri Chaitanya Techno School with an orientation on Young Learner's Program as a coffee meet with parents.

CLUB ACTIVITIES:

Various co-curricular activities are held under different clubs to develop a child physically, morally, socially and mentally and to hone skills in co-scholastic areas. Regular club activities are held on every Saturdays in which the students participate and display their calibre.

INTERNATIONAL YOGA DAY:

Yoga is an ancient practice which brings together physical, mental disciplines to achieve a peaceful body and mind. We have conducted yoga awareness program on 21st June in our school campus for students and teachers.

RHYMES CARNIVAL:

Which was held on 10th November 2019. All the teachers participated and their hard work was outspoken. Parents felt proud to educate their child in such a great innovative and play way method. They themselves took part in the Rhymes Carnival and went back to their childhood.

ANNUAL SPORTS DAY:

The much awaited Annual Sports Day was conducted on 21 December, 2019 with great zeal. Theme of this day is “STAR AVANGERS’ to make them strong and healthy. The program began with the welcome speech by our beloved principal mam Mrs. Bhavana Saxena. She emphasised on the importance of sports in a child’s life.

The chief guest, Mr.Ponkarthikeyan, ADSP , Erode took the salute of the impressive march past of the students. Some cultural programs and sports activities were conducted and the winners were awarded with medals and certificates.

And we feel proud to announce that our 99 star kids are awarded with medals and certificates for various events.

RALLY WITH TRI COLOUR FLAG:

We had conducted a rally with tri colour flag on 30 August 2019. Our pre-primary children participated in the rally with great patriotism and enthusiasm. Our beloved principal Mrs. Bhavana Saxena mam started the rally by waving the green flag.

Children carried pluck cards on safety to create awareness on road safety.

MATHLATHON:

The only way to learn Mathematics is to do Mathematics. Our school has created its own competitive platform named Mathlathon, to bring out the Mathematicians in the young prodigies.

GAJSMA ABACUS EXAM:

GAJSMA is an abacus exam. In that all the students of Primary attended first level and most of the students are selected for the next National Level which will be held on February15 or 16.

HINDI DIWAS:

Hindi Diwas was celebrated on 14 September 2019. To instill the importance of one of the significant languages of India and to make familiar the frequently used words to the parents of second and third language students, we have conducted a workshop for them. And also we have conducted many cultural programs along with it many competitions have been conducted to the students. The winners were rewarded with gold medals.

WORLD RECORD:

As a part of Asia's largest chain of educational institution, our Erode Chaitanyans of Grade 1 to 5 had created a history by adding the golden page in the World Record in the name of Sri Chaitanya Techno School by performing Aerobics and Yoga altogether worldwide.

Totally 390 branches with 1, 32,121 students for Sports Drill and 83,019 students for Yoga participated. We are the first in the world to perform this record in the Sports Drill. The previous World Record on performing Yoga was with only 72, 650 participants. Now, we have created the new record with 75,306 participants. I feel proud to thank the Management for providing this amazing opportunity and the parents who render their whole support.

ADOPTION PROGRAM:

Adoption program is designed to raise awareness about the unique needs of children who have been adopted and to provide concrete tips to how teachers can help them. Our management strongly endeavoured to up bring the overall development of the children. Each child is individually taken care and personalized care for their cognitive, physical, mental and psychological development. 20:1 ratio is maintained for which a teacher adopts and render them moral help to grow and to nurture as a second parent.

Adoption program clearly addresses the role that teachers play in helping children for on the whole development. Parents can promote the need for open informative communication about their child. It assists parents to understand and respond to their school-age child's developmental needs.

It's a great quality improvement platform for any emotional and behavioural issues. Heartfelt thanks to all parents for supporting teachers for an adoption sensitive campus.

SMART LIVING PROGRAM:

Smart Living Programme, is an integral part of the curriculum of Sri Chaitanya Techno School which teaches life skills to our young minds.

✓ GREEN AND CLEAN INDIA:

On a warm day of July 21, 2019 we organized a Rally conducted Essay and painting competitions to promote the month's moto.

✓ HEALTHY AND WEALTHY INDIA:

Along with knowledge, to ensure the health and hygiene of our students, in collaboration with Vasan Eye Care Hospital, Erode an eye check-up campaign was organised in our school premises.

Personal Hygiene Programme, Cookery competition and Debate were conducted.

Orientation Program with Deputy Director of Health Service:

On November 6, 2019, Dr. S.Soundammal MBBS, Deputy Director of Health Service and Dr. G.Sasikala, Medical Officer, Erode GH advised our children related to hygienic life which was so valuable and thought provoking. Apart from every month counselling will be given to the girl and boy children separately on their personal hygiene and their doubts were clarified.

✓ TRAFFIC AWARENESS PROGRAMME:

We have conducted Poster Making Contest and quiz competition of Road Safety and Traffic Rules and also conducted a Rally on November 4, 2019. The Chief was Mr.Selvam, Traffic DSP, Erode District.

✓ FIT INDIA MOVEMENT:

Fit India Fest was organized on January 8, 2020 where all the parents, students, teachers, dean and principal united and discussed the importance of Fit India. Children prepared stalls with delicious and nutritious dishes with different themes. parents were addressed by the principal and poured the value of being fit.

BLOOD DONATION CAMP:

It is said that every blood donor is a life saver. On account of Dr. Jhansi Lakshmi Bai Ma'am's birthday, blood donation camp was held with the help of Erode GH. Many teaching and non-teaching staff and parents voluntarily donated their blood for the welfare of the public. And we are proud to announce that our founders are happy in giving than receiving. The same which we inculcate in the students.

RANK GURU APPLICATION:

Rank Guru Application is used from grade4 which helps the students and parents in practising up to date lessons. In future the exams are planned to conduct online. To train our champions we are conducting online exams for their practice through this application.

OLYMPIADS:

Olympiad Exams aims at cultivating scientific reasoning and logical ability among the students through a rigorous test.

NASA PROGRAM:

The NASA Space Settlement Contest is an annual design competition for 6 to 12 grade students all over the world. This contest is sponsored by the NASA (National Space Society). The goal of this contest is to have students learn about Science and Engineering while working on projects. It helps in pioneering the future in space exploration and scientific discovery.

NASA scrutiny test was conducted in the month of July for all the students. 163 out of 274 were selected for the next level in which 57 students have participated in the design contest. 11 projects were sent to NASA Ames Research Centre at US which will be judged by aerospace professionals.

Grand prize winners will be given a chance to participate in the 39th Annual International Space Development Conference (ISDC)in Dallas, Texas USA (between May 28 to 31, 2020). Also the will receive \$5,000NSS Herman Rubin Space Settlement Award. The best submission, regardless of category wins the grand prize being placed on the contest world wide website.

FACULTY DEVELOPMENT PROGRAM:

Professional on-going learning of the staff is a key for quality teaching-learning at Chaitanya as it is the core of all that we do. This has ensured the development of skills, knowledge

and understanding of the curriculum and current trends in teaching and learning. The staff participated in a variety of professional learning opportunities. Before the new academic year commenced, the entire staff had a workshop session arranged by the Management with the subject experts.

SPORTS AND GAMES:

All work and no play make Jack a dull boy.

Sports and games increases the immunity of the person. Keeping that in mind the sports department organised a series of inter-house indoors and outdoors tournaments. There has been an increase in participation and achievements. The winner of this year is Knights and the runner is Samurats.

Outside the school arena, our students have brought laurels to our school.

Nakshathra of class 4 has secured second place in long jump under 10 category conducted by Erode Sahodhaya.

Nikhilesh of class 7 took part in the District Level Basketball tournament held at Virudunagar and placed first in the top 8.
