

Annual report 2019

"WE HAVE MANY MORE MILES TO GO AND MANY MORE PROMISES TO KEEP"

Our school has always been committed to create an environment that helps the young minds to blossom and provide a platform for individual thinking and holistic development of the child's personality. It is the totality of our performance in all spheres of activity that magnifies the progress made by Sri Chaitanya and what it strives for.

Information from Books and Knowledge from the traditional sources alone are not sufficient in today's world, hence we learn our lessons through activities.

In addition, children are groomed as complete individuals with all round physical, emotional, psychological, social and communicative growth through Soft Skill Programme and Counselling.

Teachers here play of the role of a parent, that is where are adoption programme is inducted. Every child is adopted by a teacher to guide the students, they are given individual attention.

Students are encouraged to participate in different co-curricular activities like sports, dance, music, field trips.

***Kids Club:** A set of fun filled and thought provoking activities for Primary students are included in Kids Club. The young learner programme includes club activities such as*

- 1) Theatre Club*
- 2) Literature Club*
- 3) Ecology Club*
- 4) Innovative Club*

***Investiture Ceremony:** Leadership and Learning are indispensable to each other. John F. Kennedy.*

The students council was elected following all the procedures of the Election Commission, students filed the nominations, campaigned and got elected. This took the students into the actual journey of elections conducted in India.

Festival Celebration:

Celebrating National Festival develops patriotism and helps in the understanding the concept, unity in Diversity. These days are cherished as auspicious days.

The National festivals like Independence Day, Teachers Day, Gandhi Jayanthi, Children's Day and Republic Day are celebrated in our school during the assembly and the importance of the day are shared with the students through skit, dance or various other activities.

International Yoga Day, National Sports Day, Music Day, Kannada Rajyotsava and Hindi Diwas are also been celebrated.

*"Being Indian is not as much about blood as it is about culture!"
- Tony Hillerman.*

India is a land of festivals and fairs. Virtually celebrating each day of the year, there are more festivals celebrated in India than anywhere else in the world.

On the other hand by celebrating religious festivals, we convey the message, to know and respect every religion and their practices and respect for one's own tradition

Self Discipline, Moral Values, Awareness on Health, Responsibility towards society, Technological advancement.

***Sports:** The most important thing in Olympic Games is not to winning but taking part... the essential thing in life is not conquering but fighting well.*

Games and sports play a vital role in the all round development of the child. Ample opportunities were provided to our children to play and prove their mettle in various sports and games at school, regional and national level competitions.

Mathlathon

Mathlathon is an online exam which tests the student to solve application-oriented questions, designed to help students to relate Math with real life.

Students from Grade 1 to 5 had participated with great zeal and bagged few global ranks and certificates of appreciation.

GAJSMA

Abacus has been one of the unique program at Sri Chaitanya. It helps students to improve memory, concentration, fast calculation and visualization skills. Students participated in National grading test and 6 students from our branch have made us proud by participating in International GAJSMA Competition held at Dubai in September 2019.

World Record Attempt

Inspired by FIT INDIA MOVEMENT announced at the centre by our PM Narendra Modi, we are proud that Sri Chaitanya Techno school students have made an attempt to create a world record in 2 categories:-

On December 4th 2019 at multiple venues, more than 100000 students from Grade I to V of Sri Chaitanya Educational Institutions across 7 States from India performed Sports drill for 7 minutes without break.

More than 76,000 students from Grade III to V performed 45 different types of Yogasanas for 15 minutes for without break.

These World Records are provisionally certified by Elite World Record (United States), Asian Records Academy (UAE) and India Records Academy (India).

"The strength of your mind determines the quality of your life." Participation in Olympiads itself biggest competition where we compete with each other to outshine the talents.

SMART

The SMART Living Programme is a step towards our goal of imparting personality development and value education of the students community and the society as a whole.

Today's children are tomorrow's Citizens. Moulding us today, igniting us with personal values are the ways and means for all-round development of the students.

Keeping this in mind the school has planned four important themes.

- World Environment Day - the activities were to make placards, rally, poetry writing and poster making*
- Clean India, Green India - donated saplings and say no to plastics*
- Healthy India, Wealthy India - cooking without fire and implementing healthy eating habits*
- Traffic awareness - Quiz competition on traffic rules and regulation, Traffic wardens explaining the traffic ethics.*
- Fit India - We performed yogasanas, warm up exercise and meditation during the assembly.*

NASA

National Aeronautics and Space Administration

Annual projects are been submitted from our school based on four topics to choose from, the students are divided into groups to work on the given projects. A total of four projects were selected from Karnataka.

The stability, growth and vision of an institution, such as Sri Chaitanya, can only be the result of high professionalism, consistent performance and fervent prayers.
