

Annual report

" WE HAVE MANY MORE MILES TO GO AND MANY MORE PROMISES TO KEEP"

This has been an exciting year where many ideas laid out in our strategic plan have come to fruition. We have spent the year focusing on our identified priority area, consolidating our relationship and network with parents and border community and responding to our needs for the school which were identified through our surveys.

The annual report is how we are progressing and developing as a school. It outlines what we have achieved, how well we are going and what we need to focus next to continually improve the educational programs and services for the students in our community. The report also provides some assurance about the way resources have been quality teaching and learning environment for your children. This has been a year of observation, assessment, reflection and learning.

School context: Sri Chaitanya is an index of community socio-educational context, life skills and normal value children in an environment that is include, safe, valued and supported Different techniques have been introduced to encourage self-learning and self-study. Favourable climate for innovations in teaching has been created. There is an arrangement for frequent education and teaching discussion. Change in teaching is being introduced whenever and wherever necessary. Laboratory and library are being utilized in a better way.

Co-Curricular Activities: To hone the latent skills and showcase the talent of the students, a host of co-curricular activities have been organised during the course of this year. The environment of competitions and lessons of victory and defeat were sufficiently created through Inter-House, Inter-Class competitions such as DEBATES, QUIZ, SONG, DANCE, DRAWING, BEST-OUT-OF-WASTE and many competitions etc.

ANNUAL EVENTS AND CELEBRATIONS:

Inculcating the moral values among the builders of our future nation the school provided opportunity for various celebration like Ganesh Chaturthi, Dussera, Christmas, Diwali, Teachers day, Children's day, and Hindi Divas serve. With great zeal and ardour. Various subject Expo were celebrated on consecutives days in the month of October and November. The programme included Literature, Science, Social Studies and Art Exhibition, where the students showcased their innovative ideas with many fulfilled activities for audiences. Birth anniversaries of many other eminent personalities such as Mahatma Gandhi were celebrated as well. Along with the whole nation the students of our school too participated in Fit India – Yoga Day. Our school celebrated, Independence Day, Republic Day, World Education Day and conducted Cleanliness Drive Program. Students share common goals, interact positively and a mutually supportive students work in partnership to develop students who interdependent self-reflective and responsible.

Creating Compassionate Souls

On various occasions, students went on awareness campaigns on various issues and messages like saving trees, cleanliness, national Unity Day, eco day, food day fire awareness programs. etc.

Training and Development for Everyone

Teachers' evolve themselves beyond the classroom boundaries and make lasting impression on the lives of their students not only by their own practice and preparations but by participating in number of Teacher Training Programmes conducted by CBSE and also by the management FDP (Faculty Development Program)and capacity building programmes to hone up their skills.

Chaitanya always encouraged the students in the pursuit of their full potential to meet not only the benefits that also social psycho benefits. To remark that the school has kept up the pace of progress and has not only... but also improved up on its traditions during the year.

“By the spirit of team work may you all prosper.”
